Building Our Game = Building Our Community

For more than three decades, the Brockville Blazers Basketball Club has been dedicated to developing youth basketball in the City of Brockville and surrounding area. What began as a small group of passionate players and parents has grown into a thriving community program that now serves boys and girls from ages 4 through 19.

At every level – from our introductory programs that teach the fundamentals, to our competitive teams that represent Brockville across the province – the Blazers' focus remains the same: to help young athletes build skills, confidence, and a lifelong love of the game. Our club is powered by a strong network of volunteer coaches, parents, and community supporters Blazers uniform.

**We wish all of our Blazers playing for

Welcome Message from the Mayor

On behalf of the City of Brockville, it is my great pleasure to extend a warm welcome to all athletes, coaches, families, and supporters attending the OFSAA Girls Basketball Championship 2025. We are honoured to host this prestigious event and to welcome so many talented young athletes from across Ontario to our community.

The Ontario Federation of School Athletic Associations (OFSAA) has a long-standing tradition of excellence in promoting athleticism, teamwork, and sportsmanship. This 2025 girls' championship represents the culmination of months of dedication, hard work, and determination, and each of you should take pride in reaching this level of competition.

To the athletes, may this tournament be an opportunity to showcase your skills, celebrate your achievements, and create lasting memories both on and off the court. To the coaches, officials, and volunteers, thank you for your leadership, commitment, and contribution to making this event possible.

I encourage all visitors to take some time to explore Brockville and experience our vibrant community, welcoming spirit, and outstanding local amenities. Whether you're enjoying a meal at one of our local restaurants or cheering from the stands, I hope your time here is enjoyable and memorable.

Once again, congratulations to all who have qualified for the OFSAA Girls Basketball Championship. Best of luck with your games. May they be filled with fair play, passion, and the true spirit of sport.

Sincerely,

Matt Wren, Mayor

In 1948, OFSAA was founded without any full-time staff or a permanent office. It officially became the governing body of high school sports in Ontario in 1952 and has grown significantly over the past seven decades.

When OFSAA started in 1948, there were just six official provincial Championships for high school sports - track and field, cross country, hockey, football, basketball and gymnastics.

Currently there are 45 Championships and Festivals contested at the OFSAA level with sports including everything from rugby to snowboarding to golf.

The growth of OFSAA over the years is also representative of the growth in population and schools in Ontario. OFSAA has expanded from 7 to 18 associations, from 300 to over 850 schools, 5500 teachers-coaches to 18,000 teacher-coaches and from 85,000 students-athletes to more than 280,000!

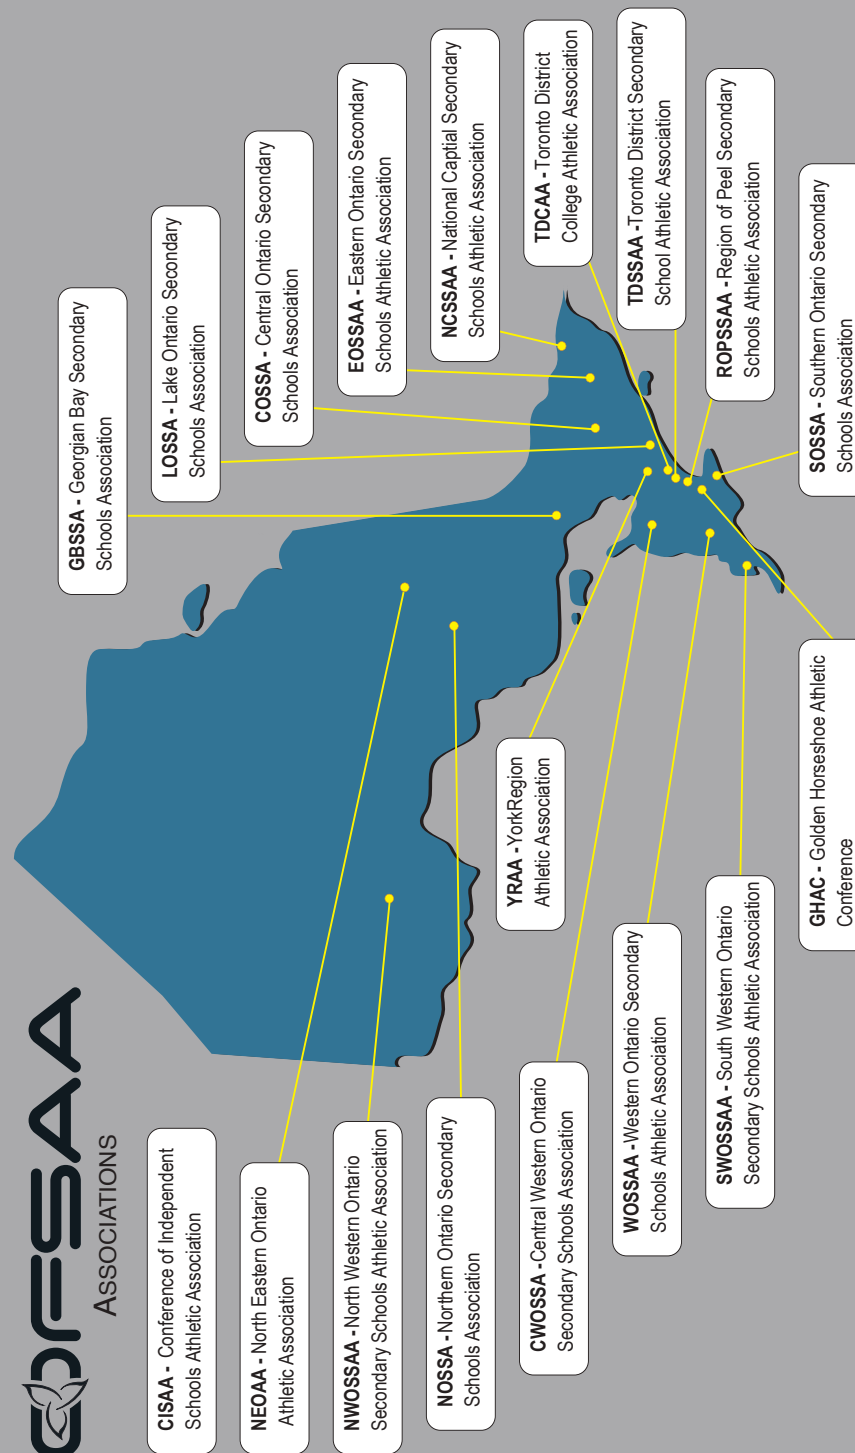

In 2018, OFSAA unveiled a versatile new logo in celebration of the 60th Anniversary of the organization. It was the first time the logo had been redesigned since its' inception.

It's an ongoing history and one OFSAA is happy to share as we continue to provide education through school sport to generation after generation.

- ✦ Be a resourceful person able to assist the athlete to develop his/her athletic potential and self-dependency.
- ✦ Recognize individual differences in athletes and always think of the athlete's long-term best interests.
- ✦ Aim for excellence based upon realistic goals and the athlete's growth and development.
- ✦ Lead by example. Teach and practice cooperation, self-discipline, respect for officials and opponents and proper attitudes in language, dress and deportment.
- ✦ Make sport challenging and fun! Skills and techniques need not to be learned painfully.
- ✦ Be honest and consistent with athletes. They appreciate knowing where they stand.
- ✦ Be prepared to interact with the media, league officials and parents. They too have important roles to play in sport.
- ✦ Coaching involves training by responsible people who are flexible and willing to continually learn and develop.

MEET OUR GUEST SPEAKER

Bridget Mulholland

Bridget is a graduate of Regiopolis-Notre Dame Secondary School in Kingston ON.

Bridget grew up playing basketball with the Kingston Impact Club program and was identified by Canada Basketball as a rising star at a young age. Bridget committed to play at Queen's in 2016 and graduated 8 years later with many impressive accolades.

In her first year, she was named to the OUA All-Rookie team and was the recipient of the Queen's Alfie Pearce award. Following her first year, Bridget had to battle numerous significant injuries that would prevent her from playing two full seasons. She missed another season of play due to the COVID-19 pandemic. Despite many setbacks, Bridget's resiliency prevailed, and she finished her career as one of the most decorated athletes to graduate from the Queen's Women's Basketball program.

Along with the awards she was recognized for in her first year, Bridget graduated as a 5-time Academic All-Canadian; a 2-time OUA silver medalist; a bronze and silver U SPORTS national medalist and a U SPORTS Final 8 tournament all-star in the 2022-2023 season. In her final season (2023-2024) Bridget was the recipient of the OUA and U SPORTS Tracy Mcleod Award - an award given to someone who demonstrates determination, perseverance and unwavering spirit in the face of adversity. It is important to note that Bridget has also successfully used the most Leuko tape ever by a single Queen's athlete. Bridget is currently completing her PhD in cognitive neuroscience, while serving as an assistant coach for the Queen's Basketball Team.

Proud to Support Local Sports

Brockville HYUNDAI

**YOUR COMMUNITY PARTNER
HELPING YOU HELP OTHERS**

At Brockville Hyundai, we believe in more than just great cars and service we believe in great communities. As proud supporters of local youth basketball and countless community initiatives, we stand by our slogan:

“Your community partner, helping you help others.”

Through our continued Christmas initiatives and year-round partnerships, together as a community we have raised over \$1 million, supporting the YMCA, Big Brothers Big Sisters, local food banks, Brockville General Hospital, United Way, and several other local and charitable organizations.

From car washes and BBQ fundraisers to supporting young athletes chasing their dreams, Brockville Hyundai is always in your corner.

Our dealership is built on connection, teamwork, and giving back — values that mirror the heart of the game itself.

AND JUST LIKE BASKETBALL, WE MAKE EVERY EXPERIENCE EXCITING, UPLIFTING, AND FUN.

Because at Brockville Hyundai, we make buying a car fun – and supporting our community is even more rewarding.

On behalf of our entire team we would like to congratulate all players competing in OFSAA. Best of luck — remember, working together as a team and supporting each other makes us all winners.
