CONVERNOR'S MESSAGE

On behalf of the Organizing Committee we would like to welcome all teams, coaches, parents and referees to this year's OFSAA 'A' Boys' Basketball Championship hosted by Timmins High and Vocational School. This year's tournament features 20 of the top basketball teams from across Ontario. We hope that every team plays up to their potential and that the spectators enjoy an exciting week of basketball.

The OFSAA championship is not an endeavor of a single person or simply one school. This has been an effort by a variety of people including teachers, administrators, students, custodians, office staff, business people and community volunteers. Without their collective effort, OFSAA does not become the special event that it is.

To the players and coaches, whether you have experienced an OFSAA championship multiple times or this is your maiden trip, please take a moment to realize the uniqueness of the event. You have spent countless hours training with the same group of people to become the best team possible. Now you are a part of the last twenty "A" teams playing this season. As with all school sport activity, the hope is that these championships are a part of the overall development of the student athlete. Win or lose, enjoy the opportunity to test yourselves against the best competition in the province.

We sincerely hope you enjoy your time in Timmins and that your OFSAA experience is truly memorable. The best of luck to each team!

OFSAA Boys' A Basketball March 9 to 11, 2026

On behalf of the Ontario Federation of School Athletic Associations (OFSAA), it's my pleasure to welcome you to Timmins, Ontario and this year's OFSAA Boys' A Basketball Championship. These events are truly special—often once-in-a-lifetime opportunities to represent your school, your region, and yourselves at the highest level of high school sport.

At OFSAA, we take great pride in creating meaningful and memorable experiences for student-athletes. We hope you compete with passion, integrity, and sportsmanship—and that when the final competition ends, you'll look back on this event with pride and lasting memories of a remarkable athletic and educational journey.

A heartfelt thank you goes out to our convenor, Peter Graham, and the dedicated organizing committee at Timmins High & Vocational School. Their countless hours of planning and preparation have made this event possible. OFSAA events are brought to life by the commitment of volunteers and the generosity of host communities. We're incredibly grateful for the warm welcome extended by our hosts, sponsors, and local supporters.

To our teacher-coaches—thank you. Your dedication, often involving hundreds of hours across multiple sports and time away from your own families, does not go unnoticed. You play a vital role in shaping your athletes' high school experience, and we hope this OFSAA experience adds another meaningful chapter to that story. Congratulations on your success this season.

And to our athletes—congratulations! Your hard work, perseverance, and commitment to your sport and teammates have earned you a place among a select group of student-athletes. Take a moment to appreciate how far you've come, and don't forget to thank those who've supported you along the way. We wish you the very best in competition and hope this experience becomes one of your most cherished high school memories.

Enjoy every moment, compete with heart, and go make your own OFSAA memories.

Good luck to all!

Maria Morris
OFSAA President

OFSAA Brief History

In 1948, OFSAA was founded without any full-time staff or a permanent office. It officially became the governing body of high school sports in Ontario in 1952, and has grown significantly over the past seven decades. When OFSAA started in 1948, there were just six official provincial Championships for high school sports – track & field, cross country, hockey, football, basketball, and gymnastics.

Currently there are 45 Championships and Festivals contested at the OFSAA level with sports including everything from rugby to snowboarding to golf.

The growth of OFSAA over the years is also representative of the growth in population and schools in Ontario. OFSAA has expanded from seven to 18 associations, from 300 to over 850 schools, 5500 teacher-coaches to 18,000 teacher-coaches, and from 85,000 student-athletes to more than 280,000!

In 2008, OFSAA unveiled a versatile new logo in celebration of the 60th anniversary of the organization. It was the first time the logo had been redesigned since its' inception.

It's an ongoing history and one OFSAA is happy to share as we continue to provide education through school sport to generation after generation.
