OFSAA Executive Director Message

A subject that seems to be arising more frequently in conversations with educators and at OFSAA meetings is the behaviour of spectators at high school sporting events. In fact, with the return of sport in schools since the pandemic, OFSAA events have seen a slow rise in spectator incidents during provincial competition.

In October of 2022, the National Federation of High Schools (NFHS) launched a campaign called, “Bench Bad Behaviour”. The purpose was to bring awareness of the negative impact that parents and fans have on officials of high school sports in the United States.

This school year, the OFSAA Board of Directors voted to support a similar initiative to combat unruly behaviour of spectators, by supporting schools with resources to emphasize a zero-tolerance approach. Member associations of OFSAA also adopted changes to the current Spectator Code of Behaviour to provide more consistency and accountability across the province.

Spectators are one group that can play an important role in encouraging and helping young people get the most out of their sport. However, sometimes the unsportsmanlike behaviour can be so unruly young athletes, and adult officials can feel abused and intimidated and, in some cases, give up sport altogether or prevent them from getting involved.

High School Sport is a positive part of student-athletes’ lives in terms of their health, well-being and development. School administrators, teacher-coaches and parents (fans themselves) have a responsibility to make sure the student-athlete experience is enjoyable, safe and fulfilling.

Working together with a strong daily focus on sportsmanship rather than a performance-based approach, as well as open lines of communication concerning the expectations of spectators’ behaviour during school sport competition are important steps in alleviating this growing issue.

OFSAA is committed to working with high schools, officials’ organizations, provincial sport organizations and parents to help ensure school sport is a positive environment for all participants.

If you would like to share your thoughts on this subject, please feel free to contact me at shamus@ofsaa.on.ca.

OFSAA OFFERING STUDENT-ATHLETE SPORTS SUBSIDY!

Participation in school sport is important and students learn many life skills, so we want all students to have equal opportunity to experience school sport.

OFSAA is offering grants for students who have difficulty finding the monies to pay their athletic fee for league competition.

The current application form can be found at ofsaa.on.ca/programs and **must be used** to apply for funds this year.

Important Information for schools:

- The most current application form must be filled out in full, and then be uploaded to the online submission form to complete your application.
- **One** online submission form must be completed per student grant request.
- The committee will review each application carefully to determine grant eligibility. They will consider the social and economic barriers as identified in the application, so it is important that the parents include comprehensive information on their current financial situation.
- The maximum amount a student may receive is **\$135**, however it is based on the number of applications we receive.

- Funds are limited, so schools should evaluate the students applying and submit forms for those that are most in need.
- The endorser should be a person aware of the student's financial situation and needs, and of the breakdown of the athletic fees (school and sport specific). An Athletic Director or Physical Education Department Head may best fit this role.
- Funding is only approved for interschool participation fees for regular league play. This grant is not intended to cover any costs associated with exhibition matches, tournament play, or additional costs incurred from qualifying for championships.
- Only member schools and student-athletes of OFSAA qualify for the subsidy.
- Upcoming application deadlines are:
 - Winter: January 31, 2025
 - Spring: April 30, 2025

Please note that there is limited funding available and subsidies will be provided on a first-come, first-served basis.

Representatives' Council Meeting News

The OFSAA Representatives' Council meeting was held December 5th with Association Representatives from across the province in attendance. The council voted in favour of several sport specific motions, some of which take effect immediately and are outlined below. Please refer to the playing regulations for each sport for more details.

BASKETBALL

- Starting in the 2025-26 school year, OFSAA basketball championships will transition to a 24 second shot clock with a 14 second reset.
- To assist those schools, school boards and member associations who also adopt this change, OFSAA will work towards establishing a partnership with score clock providers to help alleviate some of the cost associated with electronic upgrades.

CURLING

- In extraordinary circumstances, teams can now attend the championship with 3 student-athletes. Schools must appeal to the OFSAA Curling Sports Advisory Committee and be approved prior to the event.

SWIMMING

- OFSAA Qualifying Time Standards for the 2025 Swimming Championship have been approved. Specific placings from last year's championship in the 200-meter individual events, 50 & 100-meter individual events, and relay events will determine the qualifying times.

Playing regulations for all sports can be viewed by visiting ofsa.on.ca/governance/playing-regulations.

By John Clouthier,
Head Coach, Hammarskjold Vikings Girls Basketball Team

Arriving home with the gold at the Thunder Bay Airport

The Hammarskjold Vikings senior girls’ basketball team won the school’s first ever basketball championship in November while attending the OFSAA Girls’ AA Basketball Championship in North Bay. Not only was it a school first, but it had also never been done before in the NWOSSAA region, that a court sport team – basketball or volleyball, boys or girls – had brought home the gold at an OFSAA Championship. A truly historic win for this Viking group!

Most of the Hammarskjold team has been together since grade 9/10. Many are multi-sport athletes, balancing time between basketball, volleyball, and track and field. With the unbelievable continuous support from the school’s administration, the girls were able to be exposed to many positive experiences and acquire skills from each sport which has helped round them into athletes and teammates that made them ready to make history. Even with this huge commitment to athletics, the team is honour roll in school boasting an impressive overall team average of over 90%. They are the true definition of student-athletes.

Sydney Charles (assistant coach), Lyndsay Gerry (captain), John Clouthier

Two years ago on the court, the team placed 4th at OFSAA in Stratford, with the majority of the group junior in age. Now returning as seniors, and accompanied by new junior talents, Kayln Crocker and Jadene Prinsloo, they felt they had a great chance to do something that had never been done in their region, win OFSAA gold. After rolling through their local regular season with a perfect season record, they entered OFSAA as the 5th seed. The girls seemed to hit top form while in North Bay, finishing the championship with a perfect 5-0 record while outscoring their opponents 353-165 to capture the championship.

Needing to stay an extra day in Ottawa, as flights home for the team on Sunday were too expensive (the Taylor Swift effect), the team had flights booked home for Monday morning. After a morning flight delay, upon arrival home to Thunder Bay later in the afternoon, the team was exhausted from travel and the weekend of play, they were met by local media and parents to help celebrate this extraordinary result. In an interview, Lyndsay Gerry, the team’s captain, was asked about how it felt to make history, and she said “it feels very surreal right now, I don’t think it’s really sunk in for any of us yet.”

It was an extra special moment for me as head coach as my three daughters also played on the team- twins Kirsten and Sara, and the youngest, Kate. The three sisters combined for 44 of the 59 finals points when they defeated E.L. Crossley Secondary School of Fonthill (SOSSA) 59-33 to win gold.

Proud. Unbelievably proud of their determination, grit, and perseverance over the last 2-3 years. Each of them has dealt with injury – major injuries – and to see them come back with their team and do what they did, is a testament to them alone. My wife Jami was also able to make the trip to North Bay and be a part of this incredible ride. It is a moment that our family will cherish forever.

The overall OFSAA experience in North Bay was fantastic! The attention to detail and genuine concern for the little things were appreciated by the athletes, coaches, and parents who travelled to watch. Right from team check-in, the girls were received with attention and made to feel special, receiving bags with OFSAA name tags and merch, along with having team photos taken, which were ready to purchase and take home before the conclusion of the event. From streaming the games, to the on-court therapists available, the organizing committee met every need for the

First-time Thunder Bay Champions with the final score

The “Hamm family” - everyone that made the trip to watch

athletes. We especially enjoyed how some of the locals became our biggest fans, holding signs and cheering with our parents!

As coaches, we were especially grateful for the third gymnasium which allowed extra time to be scheduled between games, allowing the girls to have a full warm-up before each game.

Thank you, North Bay, for your hospitality and for making our experience one we will never forget!

Congratulations to the Hammarkjold Vikings senior girls' basketball team from Thunder Bay on an absolutely historic season! OFSAA Gold Medalists.

Claiming the gold was a long time in the making for Thunder Bay

‘UNDENIABLE CARE FOR STUDENTS’: Renfrew mourns loss of treasured retired teacher, coach

By myFM News/Oldies 107.7 staff
Dec 6, 2024

In honour of his decades of coaching, Roger Poirier was recognized with OFSAA’s prestigious Pete Beach Award in June 2016. (RCI photo)

Tributes are pouring in following the news that beloved retired Renfrew teacher and coach Roger Poirier has died.

Poirier was a teacher at Renfrew Collegiate Institute (RCI) for more than 26 years and the school paid tribute in a social media post.

News of his death sparked many reactions, comments, memories and condolences from former colleagues, students and athletes.

Raised in Alexandria, Ont., where he graduated from Glengarry DHS, Poirier completed his undergraduate degree from Carleton and his teaching credentials from Lakehead. He worked as a supply teacher in Ottawa before being hired to teach at Arnprior high school in 1987.

“He then moved over to RCI and was a teacher here for over

26 years. Mr. Poirier along with Principal O’Brien founded RCI’s first media studies class that many remember fondly,” reads the post. “Mr. Poirier says his proudest moment as a Raider was winning his first school overall Track and Field Championship 1997. He helped RCI win 12 straight Renfrew County Track and Field School Aggregate Championships and 17 consecutive Cross Country Renfrew County School Aggregate Championships.”

Poirier coached more than 58 teams throughout his career, winning some 30 Renfrew County championships, seven Eastern Ontario championships and coaching everything from running to volleyball to basketball.

“He has taken over 200 athletes to OFSAA, the all-Ontario Championships. He, along with Madame Mottershead, convened OFSAA Cross Country in Renfrew in 2003,” reads the post. “In honour of his decades of coaching, he was recognized with OFSAA’s prestigious Pete Beach Award in June 2016 – a few months after his retirement.”

Outside of his school accomplishments, he ran four Boston Marathons (and qualified for a fifth).

“We will miss his Poirierisms, his outside-the-box thinking, his eccentric lesson planning, and his undeniable care for students,” reads the post. “We send our deepest condolences to his three sons and family.”

“These events are truly special and offer rare opportunities for athletes to represent themselves, their schools and their associations at the pinnacle of school sports. Often, you only get one shot at it. We take pride in hosting these competitions and strive to ensure that every participant has an unforgettable experience. We hope you compete to the best of your abilities with exemplary sportsmanship. When the dust settles, our hope is that you will look back on this adventure as a fond memory of a remarkable educational journey.”

Scholarships and Awards Available for 2025

OFSAA has formed partnerships with a number of organizations, benefitting student-athletes, as well as teacher-coaches across the province.

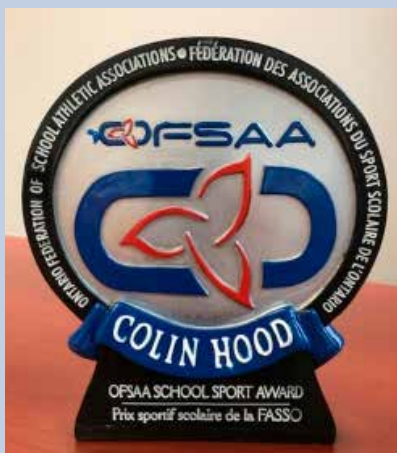

The following scholarships and awards are available:

OFSAA Alumni Scholarship

The OFSAA Alumni Scholarship Program encourages Ontario High School students to apply for the 2024-25 OFSAA Alumni Scholarship. This year, students enrolled in schools in **EOSSAA, LOSSA, ROPSSAA, SOSSA, TDSSAA and WOSSAA** are eligible to apply for the scholarship. Applications must be completed online no later than **April 30th, 2025**.

The specific criteria and the actual application form can be found on the OFSAA website at [oftsa.on.ca/recognition/scholarships](https://www.oftsa.on.ca/recognition/scholarships). It is important that all teacher-coaches, athletic directors, and student services staff make student-athletes aware of this opportunity and encourage qualified individuals to apply!

Colin Hood School Sport Award

The Colin Hood Award is available annually to one graduating male, one graduating female, and one coach in every school in the province. Schools can order these at no charge through the OFSAA website.

Application deadline is May 31, 2025.

OFSAA Character Athlete Award

Once a year, OFSAA awards the Character Athlete Award to four recipients (two males, two females) who embody OFSAA's values of leadership, commitment, equity, respect and sportsmanship. Winners receive a \$500 grant from Baron, and a plaque from OFSAA commemorating this accomplishment.

Application deadline is April 11, 2025.

Brian Maxwell Memorial Scholarship

The Brian Maxwell Memorial Scholarship is awarded each year to six student-athletes that will be continuing their post-secondary education at a Canadian College or University. Three males and three females will each be awarded a scholarship of \$5000 based on criteria including honesty, integrity, compassion and an unwavering quest to accomplish the best they can be.

Application deadline is June 9, 2025.

Two Coaches Honoured As Part of Special 10th Anniversary Celebrations

In celebration of the 10th annual National Coaches Week (September 16-22) the Coaches Association of Ontario (CAO), the Ministry of Sport, and Hydro One Inc. (Hydro One) were proud to recognize 15 coaches with the Ontario Coaching Excellence Award. From basketball to swimming, the province's most prestigious coaching award recognizes the power of sport across local communities in Ontario.

The “**OFSAA Male School Sport Coach Award**” recipient, **Roger Slomke**, received the top coaching honour for his dedicated service as a cornerstone of athletics at St. Patrick High School and the Thunder Bay area minor hockey association for the past 30 years. His extensive volunteer work has led to significant successes, including nine NWOSSA titles in 13 years and spearheading the launch of girls’ high school hockey in Thunder Bay in 2020.

The “**OFSAA Female School Sport Coach Award**” recipient, **Kathryn Carlone**, received the prestigious coaching honour for her dedication and commitment to supporting students for over 25 years. A coach of five sports at the school, she generously volunteers her personal time to ensure teams do not fold due to a lack of staff. Her outstanding dedication shines through as she tirelessly works to provide opportunities for all aspiring athletes in her school community.

“We are excited to honour Roger and Kathryn for their steadfast commitment and support in developing athletes both on and off the field. The bonds formed through sports play a crucial role in strengthening our communities, and coaches like Roger and Kathryn are instrumental in creating those safe, enjoyable, and nurturing environments for youth to thrive,” said Jeremy Cross, Executive Director of CAO.

“From little league to the big leagues, coaches are a big part of the success of sport in Ontario and to the development of our athletes, both on and off the field,” said Neil Lumsden, Ontario’s Minister of Sport. “The lessons they teach, and the values they instill are carried by their athletes for life. To everyone being recognized, congratulations—and thanks, coach.”

This year marked the 10th annual National Coaches Week, where Canadians say #ThanksCoach for the role coaches play in building safe communities and the positive impact they have on the lives of all participants. OFSAA Football Bowls Series

Windsor

November 25-27, 2024

For the second consecutive year, SWOSSAA hosted the OFSAA Football Festival Bowl Series at St. Clair College in Windsor. Once again, this first-class facility proved to be an outstanding venue for the nine Bowl Games. Convenor James Clarke and his dedicated committee members are also to be commended for making this three-day event a memorable one for all of the student-athletes and coaches who attended. Since the Football Festival

will be hosted by CWOSSA during the 2025-26 school year, OFSAA would like to thank James and his committee for taking on all of the hosting responsibilities for the past two years.

The organizing committee was also able to present the first ever Leadership in School Sport Award at a Football Festival. The first winner of this prestigious award was Craig Poole, a long-time teacher-coach at Holy Names Catholic High School in Windsor. Craig has coached football, hockey and track during his 20-year tenure while at the same time being the strength and conditioning coach for all of the school's sports teams during that time. Congratulations, Craig!

High School Division Medalists (Perron, Sefton, Gu)

Open Division Medalists (Lemieux, McKee, Nordman)

The Ambassador Golf Club in Windsor welcomed 119 girls who secured their spot to compete at the 2024 OFSAA Girls' Golf Festival. Under the leadership of Convenor Chance Conrad from Tecumseh Vista Academy (SWOSSAA) and his dedicated committee, the event was very well organized for both the student-athletes and their coaches.

During the banquet, the 2024 Girls' Golf Leadership in School Sport Award was presented to Matt Loebach, last year's convenor for the OFSAA Boys' Golf Championship and a teacher-coach from Riverside Secondary School (SWOSSAA). With 16 years of experience in high school sports, Matt has played a pivotal role in organizing or convening eight OFSAA Championships and Festivals. His contributions extend beyond organizing as he has coached numerous high school teams and has proven to be an invaluable asset to both his school and the wider WECSSAA and SWOSSAA communities. Congratulations, Matt!

In the high school division, Paige Sefton from Maple Ridge Secondary School (GBSSA) claimed the gold medal with an impressive score of 80 on day one and 77 on day two, totaling 157. Jessica Gu from University of Toronto Schools (TDCAA) followed closely, securing the silver medal with scores of 85 and 80 for a combined total of 165. Both Lauren Perron from Our Lady Queen of the World Catholic Academy (YRAA) and Phoebe Li from St. Theresa of Lisieux Catholic High School (YRAA) finished strong, each scoring 85 on day one and 84 on day two, totaling 169. Lauren prevailed in a playoff to earn the bronze medal.

In the open division, Emily McKee from Garth Webb Secondary School (GHAC) triumphed for the second consecutive year, achieving a stellar score of 70 on both days for a combined total of 140. Close behind was Lea Lemieux from Lockerby Composite School (NOSSA), who secured the silver medal with scores of 72 and 71 for a total of 143. The bronze medal went to Avery Nordman from AY Jackson Secondary School (NCSSAA), who recorded scores of 73 and 71 for a total of 144.

OFSAA Girls' A Basketball Championship

Breslau

November 21-23, 2024

The 2024 OFSAA Girls' A Basketball Championship was hosted by Woodland Christian High School (CWOSSA) in Breslau. Convenor Katie Plaisier and her entire organizing committee did an amazing job planning, organizing and running a superb championship. This was truly a provincial championship as Woodland Christian C.H.S. and the

town of Breslau welcomed teams from Kenora, Englehart, Ottawa, Delhi, Brockville, Belleville, Port Hope, Barrie, Oakville, Oshawa, North Bay, Mississauga, Ancaster, Forest, Woodstock, Scarborough and Toronto. All teams should be congratulated on their participation in this 18-team championship!

This was truly an incredible event that resulted in an unforgettable experience for all. At the banquet, former Canadian Women's Basketball Olympian, team captain, and power forward Chelsea Aubry spoke and illustrated the key

points of perseverance, hard work, goal setting and the importance of a positive mindset! Chelsea was empowering, engaging, inspiring and relatable. The Leadership in School Sport Award was also presented at the banquet. Bernadine Verstraeten was the deserving recipient. She has coached boys' volleyball, girls' volleyball and track and field for 33 years at Woodland C.H.S. She has hosted elementary and secondary school sports events of all kinds, where she has provided great opportunities for her students to step up and lead, allowing them to build critical life skills in the process. Bernadine has won medals at every level in the province, including OFSAA, but more importantly has always challenged her athletes to play the right way.

In an exciting gold medal game, Woodland C.H.S. (CWOSSA) defeated Academie Catholique Ange-Gabriel (EOSSAA) with a final score of 55-46. Congratulations to: Kristen Adema, Kaylee Chapman, Bethany Drake, Bree Drost, Zorana Erak, Nina Erak, Ariana Ilie, Chiara Koops, Trisha Kooy-Velazquez, Leah Pyper, Sydney Rumph, Isla Sloss, Chloe Strauss, Emma Tonin and Lila Van Zwol; along with the coaching staff of Stu Julius, Mae Drost, and Matthew Hazenberg. OFSAA Girls' AA Basketball Championship

North Bay

November 21- 23, 2024

The 2024 OFSAA Girls' AA Basketball Championship was hosted by West Ferris Secondary School in beautiful North Bay. Sam Levac and his organizing committee did an excellent job organizing and running the championship. At the banquet, the head coach of the Nipissing Women's Basketball Team, Rachel Van Woezick

shared how her injuries derailed her playing career after parts of three seasons in post secondary, but shared how her pathway to coaching allowed her to find a new passion for the game. She reflected on her high school basketball experience and how involvement in school sport positively impacted her future and ultimately led to a coaching career.

The Leadership in School Sport Award was presented to Robert Brady of West Ferris S. S. (NOSSA). Robert is the head coach of the girls' basketball team and has been involved in high school sport for over 20 years. He has convened local basketball leagues, coached many teams

and is a true positive role model for his student-athletes through education in sport. Robert is retiring at the end of this school year and will be missed by the staff and students at West Ferris S. S. Congratulations and best wishes, Rob!

E. L. Crossley S.S. (SOSSA) faced Hammarskjold H.S. (NWOSSAA) in the gold medal game. Leading up to this matchup, both teams went undefeated throughout the championship with E.L. Crossley defeating last year's gold medalists, King's Christian Collegiate (GHAC) in the semi-finals. Ultimately, Hammarskjold H.S. came out with the win to capture the 2024 OFSAA Girls' AA Basketball Championship banner. The 59-33 win made Hammarskjold the first Thunder Bay team to win an OFSAA basketball championship. The win was also a very special one for the Clouthier family as the coach, John got to coach his three daughters who have never all played together until this year.

Congratulations to the 2024 OFSAA Girls' AA Basketball Champions, Hammarskjold H.S. student-athletes, Sarah Browne, Grace Charbonneau, Kirsten Clouthier, Sara Clouthier, Kate Clouthier, Kayln Crocker, Lyndsay Gerry, Mackenzie McClendon, Ainsley Pare, Abby Peterson, Jadene Prinsloo, Ella Rae Rusnak and coaches, John Clouthier, Sydney Charles and Jami Clouthier.

Congratulations to St. Theresa C.S.S. (COSSA) for being recognized with the Team Sportsmanship Award! Their exemplary sportsmanship, both on and off the court, was truly inspiring. Every member representing the school, including the spectators, demonstrated respect, fairness, and a positive attitude, setting a remarkable example for all to see.

OFSAA Cross Country Championship

Ottawa

November 4, 2024

The 2024 OFSAA Cross Country Championship was held at Mooney's Bay and the Terry Fox Athletic Facility in the Nation's Capital of Ottawa. Kirk Dillabaugh of Glebe Collegiate led an experienced committee of hard-working teacher-coaches from the National Capital Secondary School Athletic Association (NCSSAA) in conducting an excellent championship event.

The Leadership in School Sport Awards were presented to Debbie Tracey of Immaculata High School and Kirk Dillabaugh, the convenor of the meet. Their presenters both spoke highly of their long-time dedication and positive role modeling throughout their careers. Both are very deserving of this recognition, and OFSAA congratulates them both!

The OFSAA Cross Country Championship delivered excellent competition across all divisions in overcast and wet conditions once again in 2024.

Georgetown District High School (GHAC) captured the team title in Novice Girls, St. Michael's College School (CISAA) in Novice Boys,

St. Maximilian Kolbe Catholic High School (YRAA) in Junior Girls, Riverdale Collegiate Institute (TDSSAA) in Junior Boys, Collingwood Collegiate Institute (GBSSA) in Senior Girls, and Brooklin High School (LOSSA) in Senior Boys.

Collingwood Collegiate, with 30 points, captured the overall girls' title, beating Riverdale Collegiate of Toronto by a mere one point! Malvern was third with 21 team points.

In the boys' overall competition, Neil McNeil High School (TDCAA) captured its fourth consecutive title, accumulating 44 team points. Collingwood Collegiate was second with 32 points and Sir Winston Churchill from St. Catharines (SOSSA) was third with 28 points.

The Para Division saw another increase in participants, showing that this division is growing province-wide. Thanks to the schools that advocate for students and include them in their respective programs, the list of winners in each of the Para categories is listed below, with the top 10 in each division.

OFSAA wishes to thank our friends and partners at Nike, who once again enhanced the OFSAA experience for all those in attendance.

October 16-17, 2024

OFSAA Boys Golf 2024 Team Champions - St. Michael's College School

High School Division Winner Nate Van Asseldonk

Open Division Winner Jordan Hwang

A trip north to Timmins resulted in an outstanding 2024 Boys' Golf Championship. Colin Sullivan and his team created a memorable experience and showcased both the North and the Hollinger Golf Club.

Day one had cool temperatures, but the course played well and the athletes responded to the challenge with some excellent scores.

Day two started late due to frost, but the sun came out and it was a great day for golf. In the High School Division, Nate Van Asseldonk from Sydenham (EOSSAA) came out on top finishing at +13 for the tournament. He was followed by Jeffrey Oh from Thornlea (YRAA) and Jacob Nadeau from St. Thomas Aquinas (WOSSAA). The Open Division was won by Jordan Hwang from Richmond Green SS (YRAA) who was the only golfer under par

for the tournament with a finishing score of -7. He fired a -7 on the last day to set a junior course record! Barron Mundy from St. Martin (ROPSSAA) finished in the silver medal position and Matthew Simpson from St. Michael's College School (CISAA) finished with the bronze medal. The team competition was dominated by CISAA with St. Michael's College School winning gold and Upper Canada College winning silver. St. Martin from ROPSSAA finished in the bronze medal position.

The banquet was held at the Dante Club with a fantastic meal and words of wisdom from Owen Rigg, current Director and Regional Manager of the Northern Golf Association, and a local OFSAA competitor before golf was an official OFSAA sport. The highlight had to be the recorded message from PGA professional David Hearn to help get the competitors ready to compete.

Congratulations to our Leadership in School Sport Award winner Kris Koskela from Timmins High School! His dedication to golf and high school sport in the NEOAA area is second to none.

fantastic meal. One of the evening's highlights was the presentation of the Leadership in School Sport Award, which was rightfully awarded to Todd Collard, a dedicated teacher at Napanee District Secondary School. Todd has been a pillar in the Kingston high school volleyball community for the past 25 years, coaching both boys' and girls' teams every season. Congratulations, Todd, on this well-deserved recognition! Everyone in attendance also had the pleasure of listening to Gabriel DeGroot the Head Coach, of Queen's Men's Volleyball at the banquet.

Back on the court, spectators were treated to exceptional volleyball in every match. In the bronze medal contest, Franco-Cité ESC (NCSSAA) won in straight sets over Bishop P.F. Reding (GHAC). The gold medal showdown featured the reigning champions, Uxbridge Secondary School (LOSSA), facing off against the host school, Kingston Secondary School. The gymnasium was packed with enthusiastic Kingston fans, creating an electrifying atmosphere. Determined to secure their third consecutive championship title, Uxbridge delivered an incredible performance, emerging victorious in a thrilling five-set battle!

Congratulations to champions: Heath Barry, Mason Begg, Jackson Clark, Seth Clubine, Caleb Greene, Kevin Lonson, Justin Jamieson, Julian Josephs, Xavier Josephs, Rowan Mather, Owen McCartney, Devon Oliver, Riley Reed, Anwar Singer, Mehdi Singer, Ben Walker and coaches Faraaz Ghafur and Andony Kiriakou.

David Loken, the convenor from Kingston Secondary School (EOSSAA), along with the dedicated organizing committee, demonstrated exceptional commitment as they prepared to welcome participants from across the province to the city of Kingston.

Despite taking on the responsibility of hosting the championship on short notice, with only a few months to plan, David and his team rose to the challenge with remarkable proficiency and creativity. Great care was taken to ensure every participant left with a meaningful memento of the championship. Thoughtful details like these were woven throughout the event, which led to a profound and lasting impact on all who took part.
