SPORT SPECIFIC DIRECTIVES

1. Structure and Procedure:

- a. Convenor should provide and make available a pin position sheet for all participants.
- b. Local course rules will supersede Golf Canada rules.
- c. Convenors will provide a local rules sheet for all coaches and supervisors.
- d. The following Pace of Play Policy is in effect at all OFSAA Boys Golf Championships (shotgun starts excluded):

Golf Canada Rule 6-7. Undue Delay; Slow Play states: "The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish. Between completion of a hole and playing from the next teeing ground, the player must not unduly delay play."

Summary:

There will be four checkpoints selected by the organizing committee during each 18 hole round. When a group is out of position at any check-point, the players in the group are liable to penalty according to the following schedule of penalties pending final determination of whether a breach or breaches of these guidelines have occurred:

- 1st potential breach (during the round) - liable to a warning.
- 2nd potential breach (during the round) - liable to a one-stroke penalty
- 3rd potential breach (during the round) – liable to a two-stroke penalty.
- 4th potential breach (during the round) – liable to a two-stroke penalty.

Allotted Time:

Each group is allotted a specified time to complete 18 holes at a pace in accordance with the time chart provided in the Local Rules at the group's first hole. When a group falls behind - regardless of the reason - it must regain its position. Time for ball searches, rulings, and walking time between holes is included in the allotted time.

Definition "Out of Position" - Stroke Play

First group: The first group is out of position if it takes more than the allotted time to finish a check-point hole.

Following groups:

A following group is out of position if it:
takes more than the allotted time to finish a check-point hole and completes play of a check-point hole more than 13 minutes on a par 3, more than 14 minutes on par 4, or more than 15 minutes on a par 5, after the preceding group completes play of that hole.

Group Out of Position:

When a group is out of position at a check-point, it will be given a warning by a Check-Point Official that the group is in breach of the pace of play guidelines. When a group has been notified of its first

potential breach, that group is expected to regain its position before reaching the next check-point. If that group reaches the next check-point out of position, each player in the group may incur the applicable penalty for a breach of these guidelines.

Any group that is out of position is subject to being monitored.

A player concerned about a non-responsive fellow-competitor in his group should request the group supervisor to monitor the group in case the group is or becomes liable to penalty under these guidelines.

Final Determination Regarding Breach/ Review Process:

Before returning his score card, a player who was out of position during his round may consult with the Protest Committee to determine if he has incurred a penalty under these guidelines. The Protest Committee will determine that a player who has been found to be out of position is not in breach of these guidelines only if:

- the player was delayed by the Committee; or
- the player was delayed by a circumstance beyond control of the player or the group; or
- the player was delayed by another player in the group

If a group is liable to penalty, all penalties will be applied to the check-point hole where the breach occurred.

Appeals:

Slow Play penalties may be appealed to the Protest Committee. The appeal must be in writing and must be based on facts relevant to the reason Pace of Play was not maintained. The decision of the Protest Committee will be final.

Example scenarios how penalties apply:

If a group fails to complete the 1st checkpoint in the allotted time, all players in the group are liable to a warning (1st potential breach). If thereafter the same group fails to complete any of the following checkpoints in the allotted time, all players would be liable to the penalties according to the OFSAA Slow Play Guidelines to a maximum of 5 strokes.
