

The Bulletin RATE CARD

The Bulletin magazine is distributed to every high school in Ontario (over 860) to be read by teacher-coaches and student-athletes. The Bulletin is also distributed to the boards of education directors, representatives from each regional athletic association, members of the media, and OFSAA Alumni.

Published tri-annually by the Ontario Federation of School Athletic Associations (OFSAA), the

48-page magazine is distributed in September, January and June, and contains championship results, events calendar, OFSAA-sanctioned events, OFSAA news, and information articles.

OFSAA is an organization comprised of student-athletes, teacher-coaches, teachers, principals and sport administrators all committed to the philosophy of Education Through School Sport. There are approximately 270,000

student-athletes and 16,000 teacher-coaches in Ontario.

Our primary responsibility is to work with volunteer teacher-coaches to provide top-quality provincial championships for Ontario's student-athletes, but we also conduct coach education programs, communication vehicles, and provide funding and guidelines, all designed to support and enhance the school sport experience for students.
